Bid Submittal Binding Method: It is preferable and recommended that the bidder bind the bid submittals.

3.2 Bidding: CMHA will award the bid based on best and lowest cost received.

3.3 Additional Information Pertaining to the Pricing Items:

3.3.1 Assumption: It shall be the HA's assumption that the successful bidder has based his/her proposed bid for pricing items upon careful assessment of the technical scope provided (Attachment A). It is the bidder's responsibility to obtain all information necessary for making a knowledgeable bid to include a physical assessment of the unit he/she will be offering in the bid.

3.3.5 Davis-Bacon (D/B) and/or State Prevailing Wage Rates: As may apply by statute, regulation or law, if, at any time during the ensuing contract period(s), the HA needs the successful bidder to provide services that require the successful bidder to pay Davis-Bacon or State Prevailing Wages Rates for a specific task order pertaining to the ensuing contract, then to compensate the successful bidder for any amount that the applicable Davis-Bacon or State Prevailing Wage Rates are greater than the applicable hourly fees listed within the Bid sheet the HA shall:

3.3.5.1 Ascertain the applicable hourly wage rate(s), as listed within the contract, that applies;

3.3.5.2 Ascertain the current applicable Davis-Bacon or State Prevailing Wage Rate(s) that applies;

3.3.5.3 Ascertain the difference between the two rates, which amount the HA will pay to the successful bidder for that task order only.

**INVITATION FOR BIDS (IFB) NO. 2019-010 FIRE RESTORATION Post Oak Station
(1420 Greenock Rd, Columbus OH 43228)**

3.3.5.4 It is the sole responsibility of the bidder to ensure that the bid submitted includes the most recent Davis-Bacon wage published by www.wdol.com. The amounts listed in this IFB are based on published rates at the time of advertising for the IFB.

3.3.5.5 Locating Applicable Wage Rates: If, as detailed within 24 CFR 85.36(h)(5), the HA is required to pay Davis-Bacon wage rates (for all “construction contracts in excess of \$2,000”), and for similar State requirements, the HA will then issue a General Decision as it applies to that work. Current Davis-Bacon wages rates may be viewed by following the following listed steps:

3.3.2 HUD Maintenance Wage Rates Determination (MWRD): HUD has determined that, for non-construction maintenance work (work not covered by Davis-Bacon requirements), the HA must ensure that contractors do not pay its employees that perform such work for the HA at a rate less than the rates listed on the HUD MWRD. Therefore, by submitting a proposal, each bidder is thereby agreeing to and verifying that he/she will not pay his/her employees at rates less than detailed within the following Table No. 7. Please note that, as detailed within Section 10.10 of HUD Procurement Handbook 7460.8 REV 2 (most specifically within Section 10.10.E therein), the contractor will not be required to submit certified payrolls; however, the contractor must make its payroll records available to either the HA or HUD on request, and failure on the part of the contractor to comply with this requirement will be the sole responsibility of the contractor, including any ensuing penalties, court costs, or wages due to employees as a result of the contractor’s failure to comply.

addendum). A total of 1 original signature copy (marked "ORIGINAL") of the bid submittal shall be placed unfolded in a sealed package and addressed to:

The Columbus Metropolitan Housing Authority
Attention: Andrea Quinichett
Purchasing Manager
880 E. 11th Avenue, Columbus, Ohio 43211

The package exterior must clearly denote the above noted IFB number and must have the bidder's name and return address. Bids received after the published deadline will not be considered.

- 3.4.1 Submission Conditions:** DO NOT FOLD OR MAKE ANY ADDITIONAL MARKS, NOTATIONS OR REQUIREMENTS ON THE DOCUMENTS TO BE SUBMITTED! Bidders are not allowed to change any requirements or forms contained herein, either by making or entering onto these documents or the documents submitted any revisions or additions; and if any such additional marks, notations or requirements are entered on any of the documents that are submitted to the HA by the bidder, such may invalidate that bid.
- 3.4.2 Submission Responsibilities:** It shall be the responsibility of each bidder to be aware of and to abide by all dates, times, conditions, requirements and specifications set forth within all applicable documents issued by the HA, including the IFB document, the documents listed within the following Section 3.7, and any addenda and required attachments submitted by the bidder. By virtue of completing, signing and submitting the completed documents, the bidder is stating his/her agreement to comply with the all conditions and requirements set forth within those documents. Written notice from the bidder not authorized in writing by the CO to exclude any of the HA requirements contained within the documents may cause that bidder to not be considered for award.
- 3.5 Bidder's Responsibilities—Contact with the HA:** It is the responsibility of the bidder to address all communication and correspondence pertaining to this IFB process to the PA or CO only. Bidders must not make inquiry or communicate with any other HA staff member or official (including members of the Board of Commissioners) pertaining to this IFB. Failure to abide by this requirement may be cause for the HA to not consider a bid submittal received from any bidder who may has not abided by this directive.
- 3.5.1 Addendums:** All questions and requests for information must be addressed in writing to the PA or CO. The PA or CO will respond to all such inquiries in writing by addendum to all prospective bidders (i.e. firms or individuals that have obtained the IFB Documents). During the IFB solicitation process, the PA or CO will NOT conduct any *ex parte* (a substantive conversation—"substantive" meaning, when decisions pertaining to the IFB are made—between the HA and a prospective bidder when other prospective bidders are not present) conversations that may give one prospective bidder an advantage over other prospective bidders. This does not mean that prospective bidders may not call the CO—it simply means that, other than making replies to direct the prospective bidder where his/her answer has already been issued within the solicitation documents, the CO may not respond to the prospective bidder's inquiries but will direct him/her to submit such inquiry in writing so that the CO may more fairly respond to all prospective bidders in writing by addendum.

(1420 Greenock Rd, Columbus OH 43228)**

3.6 Pre-bid Conference: The scheduled pre-bid conference identified on Page 2 of this document is, pursuant to HUD regulation, not mandatory. Typically, such conferences last 1 hour or less, though such is not guaranteed. The purpose of this conference is to assist prospective bidders to have a full understanding of the IFB documents so that he/she feels confident in submitting an appropriate bid; therefore, at this conference the HA will conduct a brief overview of the IFB documents, including the attachments. It is during this conference where prospective bidders will be able to familiarize themselves with the bid process prior to bidding. Prospective bidders may also ask questions, though the PA or CO may require that some such questions are delivered in writing prior to a response being delivered. Whereas the purpose of this conference is to review the IFB documents, attendees should bring a copy of the IFB documents to this conference.

Federal and/or State taxes are not to be included in prices quoted. The successful bidder/bidder will be furnished an exemption certificate if needed.

PRICING

Bidders/Bidders are to quote firm prices unless otherwise noted in the specifications. In case of a discrepancy in computing the amount of the bid/proposal, the UNIT PRICE quoted will govern. In the event of a conflict between the price in numbers and the price in words, the price IN WORDS WILL CONTROL.

Quotations are requested F.O.B. destination. If quoted F.O.B. Shipping Point, include freight estimate and full value insurance cost.

ACCEPTANCE AND REJECTION

This bid/proposal will be accepted or rejected within a period of sixty (60) days from the bid/proposal opening date. CMHA reserves the right to reject any and all bids/proposals, to waive technicalities, and to request a re-quote on the required materials and/or services. If more than one item is listed, prices shall be quoted on each unit. However, each item shall be considered a separate bid/proposal and CMHA reserves the right to award a contract on each item separately bid/proposed, or on all items as a whole or any combination thereof. Bidders/Bidders whose bid/proposal is made on an "all or none" basis must clearly state such fact in the bid/proposal.

WITHDRAWAL OF BIDS/ PROPOSALS

Bidder/Bidders may withdraw their bids/proposals at any time prior to the time specified in the advertisement as the closing time for the receipt of bids/proposals. However, no Bidder/Bidder shall withdraw or cancel his bid/proposal for a period of sixty (60) days after said advertised closing time for the receipt of bid/proposals.

SUBMISSION OF BID/PROPOSAL

Bids/Proposals must be submitted on the attached proposal page unless otherwise noted in the specifications. Blank spaces in the bid/proposal must be completed and the phraseology is not to be changed. Any additional conditions, limitations, or provisions attached to the bid/proposal may result in its rejection. It is important that all pages be in proper sequence. If the vendor does not wish to propose, the bid/proposal should be so marked.

Bids/Proposals received prior to the time of the opening will be securely kept, unopened. No bid/proposal received after the specified time will be considered except under the following conditions: if a bid/proposal arrives by mail after the time fixed for opening, but before award is made, and it is shown to the satisfaction of the awarding officer that late arrival was due solely to delay in the mails, such bids/proposals will be received and considered. No responsibility will attach to an officer for the premature opening of a bid/proposal not properly addressed and identified.

Bids/Proposals must be submitted in a sealed envelope and clearly state the Bidder/Bidder's Name, Address, IFB number and IFB Submittal deadline date.

CHANGES AND ADDENDA TO BID/PROPOSAL DOCUMENTS

Each change or addendum issued in relation to this bid/proposal document will be on file in the office of the Purchasing Department no less than five (5) working days prior to the scheduled bid/proposal closing. In addition, to the extent possible, copies will be mailed to each person registered as having received a set of bid/proposal documents. Total bid/proposal or specific item cancellations may be issued later than the time specified above.

DELIVERY

Time will be of the essence for any orders placed as a result of this bid/proposal. Purchaser reserves the right to cancel such orders, or any part thereof, without obligation if delivery is not made within the time(s) specified. Delivery shall be made 8:00 a.m. to 4:00 p.m. Monday through Friday to the destination shown on the bid/proposal.

QUALITY

Unless otherwise stated by the bidder/bidder the bid/proposal will be considered as being in strict accordance with the specifications outlined in the Bid/Proposal Document.

Reference to a particular trade, manufacturer's catalog or model number is made for descriptive purposes to guide the bidder/bidder in interpreting the requirements of CMHA. They should not be construed as excluding bids/proposals on other types of materials, equipment and supplies. However, the bidder/bidder, if awarded a contract, will be required to furnish the particular

item referred to in the specifications or description unless a departure or substitution is clearly noted and described in the bid/proposal.

SAMPLES

Samples, when requested, must be furnished free of expense and, if not destroyed, will upon request be returned at the bidder's/bidder's expense.

INELIGIBLE BIDDERS/BIDDERS

CMHA is prohibited from making any awards to contractors, subcontractors or firms who are on lists of those ineligible to receive awards from the United States, as furnished periodically by HUD. The current list of ineligible firms is available for inspection by prospective bidders/bidders at the offices of CMHA.

CMHA is required to procure contracts only with responsible contractors, i.e. those who have the technical and financial competence to perform and who have a satisfactory record of integrity. Before awarding a contract CMHA will review the proposed contractor's ability to perform the contract successfully, considering factors such as the contractor's integrity, record of past performance, and financial and technical resources.

AWARD OF CONTRACT

The contract will be awarded to the responsible bidder/bidder submitting the lowest bid/proposal complying with the conditions of the Invitation for Bids with equal consideration being given to the detailed action plan, provided his/her bid/proposal is reasonable and it is to the interest of CMHA to accept it. CMHA will consider proof of success of procedures (i.e., references) in the final determination.

All specifications and bid/proposal documents become a binding part of the contract.

PERFORMANCE BOND

All bidders/bidders will be required to furnish a performance bond for any service/construction bids/proposals if requested by the HA. The performance bond of 100% of the full amount of the contract, which secures the faithful performance of the contract, must be furnished at the time of the bid/proposal closing. No exceptions will be granted without prior written permission of CMHA. Failure of the successful bidder/bidder to comply shall constitute a default. CMHA may either award the contract to the next reasonable bidder/bidder or re-advertise for bids/proposals; and CMHA may charge against the bidder/bidder the difference between the amount of the bid/proposal and the amount for which the contract for the work is subsequently executed.

SUBCONTRACTORS

The contractor shall not contract with any proposed subcontractor who has not been accepted by CMHA. The contractor shall notify CMHA in writing the name of each proposed subcontractor. The acceptance or any objection shall be expressed in writing by CMHA within ten (10) working days after receipt of said request. CMHA may, without claim for extra cost by the contractor,

disapprove any subcontractor for cause on the basis of its own determination or, because the contractor is listed as ineligible to receive awards of contracts for the United States on a current list or lists furnished by HUD.

CANCELLATION

CMHA reserves the right to monitor and evaluate the performance of a vendor, pursuant to this bid/proposal, on a regular basis. Either CMHA or the vendor may terminate this contract upon a material violation of the terms herein, provided that the offended party issues written notice of the violation to the offending party.

PRE-BID/PROPOSAL CONFERENCE

Where advisable or in the Authority's interest a Pre-Bid/Proposal Conference will be conducted for all bidders/bidders as specified in the bid/proposal advertisement (time and location). However, in lieu of the aforementioned, any bidder/bidder or prospective bidder/bidder interested in a pre-bid/proposal conference may request one by contacting the Purchasing Agent within seven (7) days after the date of the first publication of the notice to bid/proposal. This conference shall be for clarification of procedures and requirements connected with the preparation of responsive bids/proposals only.

MINORITY AND FEMALE BUSINESS ENTERPRISE POLICY

As policy, the Columbus Metropolitan Housing Authority (CMHA) will aggressively seek to contract with minority and/or female business enterprises for at least twenty percent (20%) of its annual dollar expenditures for construction, development and supply of goods and services. Initially, CMHA will seek to meet this goal by expanding and improving its contacts with appropriate minority and/or female business enterprises, so that more responsive proposals and competitive quotations can be solicited and received from such business enterprises. CMHA will, therefore, compile and maintain a master list of minority and female business enterprises (categorized and referenced by types of businesses) and related non-profit or service organizations. These businesses and specific groups will be kept informed, through outreach activities, regarding general and specific business opportunities with CMHA. Formal bidding through public advertisements will also be paid for or sponsored by CMHA with minority press and media as well as the major Columbus newspaper. Training sessions, focusing on both CMHA's general business practices and specific construction jobs or purchasing transactions, will also be conducted for the benefit of minority and/or female business enterprises on a regular basis. Actual contract awards for construction and purchasing will be recorded and monitored for minority and/or female business enterprise participation, and selected bidders will be expected to achieve their minority and/or female business enterprise commitments. Implementation duties for this policy will be delegated to the Minority Business/Contract Compliance Officer (for development activities) and the Purchasing Agent (for procurement activities), under the general supervision of the President\CEO.

**SECTION 3 BUSINESS PREFERENCE CLAUSE
(Attachment G)**

This contract is subject to the following conditions under Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3).

- A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- B. The parties to this contract agree to comply with HUD's regulations in 24 CFR Part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.
- C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor or organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.
- E. The contractor will certify that any vacant employment positions, including training positions that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR Part 135.
- F. Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
- G. With respect to work performed in connection with Section 3 covered Indian housing assistance, Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprise. Parties to this contract that are subject to the provisions of Section 3 and Section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with Section 7(b).

Eligibility for Preference
