[Section No. 4]

RFP Section	Item No.	Description (Site)
3.2.1	1	Consulting Hourly Rate
3.2.2	2	Annual Maintenance Percentage

3.3 Additional Information Pertaining to the Pricing Items:

3.3.1 Quantities: All quantities entered by the HA herein and within the corresponding Pricing Items on the noted Proposal Fee Sheet are for calculating purposes only. As may be further detailed herein, the HA does not guarantee any minimum or maximum amount of work as a result of any award ensuing from this RFP, as the ensuing contract will be a Requirements Contract, in that the HA shall have the discretion of awarding this contract to multiple contractors and shall retain the right to order from that/those contractor/s (successful proposer/s), on a task order basis, any amount of services the HA requires.

3.3.1.1 Assumption: It shall be the HA's assumption that the successful proposer has based his/her proposed pricing for Pricing Items No. 1-4 upon the proposed rates submitted by the proposer (and by submitting a proposal in response to this RFP, the successful proposer

REQUEST FOR PROPOSALS (RFP) NO. 2018-005
MICROSOFT TECHNOLOGY STACK DEVELOPERS

automatically agrees that such is accurate). Accordingly, the HA may use such assumption, if necessary, to do any lump-sum proposal breakdown calculations during the term of the ensuing contract.

- 3.4 Proposal Submission:** All pricing must be submitted separately, to feeproposal@cmhanet.com. All technical responses must be submitted and received to technicalresponse@cmhanet.com no later than the submittal deadline stated herein (or within any ensuing addendum).

The submittal must clearly denote the above noted RFP number in the “subject” line. Proposals received after the published deadline will not be accepted.

- 3.4.1 Submission Conditions:** DO NOT MAKE ANY ADDITIONAL MARKS, NOTATIONS OR REQUIREMENTS ON THE DOCUMENTS TO BE SUBMITTED! Proposers are not allowed to change any requirements or forms contained herein, either by making or entering onto these documents or the documents submitted any revisions or additions; and if any such additional marks, notations or requirements are entered on any of the documents that are submitted to the HA by the proposer, such may invalidate that proposal. If, after accepting such a proposal, the HA decides that any such entry has not changed the intent of the proposal that the HA intended to receive, the HA may accept the proposal and the proposal shall be considered by the HA as if those additional marks, notations or requirements were not entered on such. By accessing the noted web addresses, registering and downloading these documents, each prospective proposer that does so is thereby agreeing to confirm all notices that the HA delivers to him/her as instructed, and by submitting a proposal, the proposer is thereby agreeing to abide by all terms and conditions published herein and by addendum pertaining to this RFP.

- 3.4.2 Submission Responsibilities:** It shall be the responsibility of each proposer to be aware of and to abide by all dates, times, conditions, requirements and specifications set forth within all applicable documents issued by the HA, including the RFP document, the documents listed within the following Section 3.7, and any addenda and required attachments submitted by the proposer. By virtue of completing, signing and submitting the completed documents, the proposer is stating his/her agreement to comply with the all conditions and requirements set forth within those documents. Written notice from the proposer not authorized in writing by the CO to exclude any of the HA requirements contained within the documents may cause that proposer to not be considered for award.

- 3.5 Proposer's Responsibilities--Contact with the HA:** It is the responsibility of the proposer to address all communication and correspondence pertaining to this RFP process to the CO only. Proposers must not make inquiry or communicate with any other HA staff member or official (including members of the Board of Commissioners) pertaining to this RFP. Failure to abide by this requirement may be cause for the HA to not consider a proposal submittal received from any proposer who may has not abided by this directive.

- 3.5.1 Addendums:** All questions and requests for information must be addressed in writing to the CO. The CO will respond to all such inquiries in writing by addendum to all prospective proposers (i.e. firms or individuals that have obtained the RFP Documents). During the RFP solicitation process, the CO will NOT conduct any *ex parte* (a substantive conversation— “substantive” meaning,

**REQUEST FOR PROPOSALS (RFP) NO. 2018-005
MICROSOFT TECHNOLOGY STACK DEVELOPERS**

when decisions pertaining to the RFP are made—between the HA and a prospective proposer when other prospective proposers are not present) conversations that may give one prospective proposer an advantage over other prospective proposers. This does not mean that prospective proposers may not call the CO—it simply means that, other than making replies to direct the prospective proposer where his/her answer has already been issued within the solicitation documents, the CO may not respond to the prospective proposer’s inquiries but will direct him/her to submit such inquiry in writing so that the CO may more fairly respond to all prospective proposers in writing by addendum.

3.6 Pre-proposal Conference: The scheduled pre-proposal conference identified on Page 2 of this document is, pursuant to HUD regulation, not mandatory. Many prospective proposers have previously responded to an RFP with a multi-sectioned submittal and feel comforted in doing so without attending the pre-conference. Typically, such conferences last 1 hour or less, though such is not guaranteed. The purpose of this conference is to assist prospective proposers in having a full understanding of the RFP documents so that he/she feels confident in submitting an appropriate proposal; therefore, at this conference the HA will conduct an overview of the RFP documents, including the attachments. Prospective proposers may also ask questions, though the CO may require that some such questions are delivered in writing prior to a response. Whereas the purpose of this conference is to review the RFP documents, attendees should bring a copy of the RFP documents to this conference; however, the HA *will not* distribute at this conference any copies of the RFP documents:

3.6.1 General Directions to the Pre-proposal Conference:

4.2 Evaluation Method:

4.2.1 Initial Evaluation for Responsiveness: Each proposal received will first be evaluated for responsiveness (e.g., meets the minimum of the published requirements). The HA reserves the right to reject any proposals deemed by the HA not minimally responsive (the HA will notify such firms in writing of any such rejection).

4.2.2 Evaluation Packet for Proposals Deemed Responsive: Internally, an evaluation packet will be prepared for each evaluator, including the following documents:

- 4.2.2.1 Instructions to Evaluators;
- 4.2.2.2 Proposal Section Form;
- 4.2.2.3 Written Narrative Justification Form for each proposer;
- 4.2.2.4 Recap of each proposer’s responsiveness;
- 4.2.2.5 Copy of all pertinent RFP documents.

- 4.2.3 Evaluation Committee:** The HA anticipates that it will select a minimum of a three-person committee to evaluate each of the responsive “hard copy” proposals submitted in response to this RFP. PLEASE NOTE: No proposer shall be informed at any time during or after the RFP process as to the identity of any evaluation committee member. If, by chance, a proposer does become aware of the identity of such person(s), he/she SHALL NOT make any attempt to contact or discuss with such person anything related to this RFP. As detailed within Section 3.5 of this document, the designated CO is the only person at the HA that the proposers shall contact pertaining to this RFP. Failure to abide by this requirement may (and most likely will) cause such proposer(s) to be eliminated from consideration for award.
- 4.2.4 Evaluation:** The CO will evaluate and award points pertaining to Evaluation Factors No. 1 (the “Objective” Factor). The appointed evaluation committee, independent of the CO or any other person at the HA, shall evaluate the responsive proposals submitted and award points pertaining to Evaluation Factors No. 2, 3, 4, 5 and 6 (the “Subjective” Factors). Upon final completion of the proposal evaluation process, the evaluation committee will forward the completed evaluations to the CO.
- 4.2.5 Potential “Competitive Range” or “Best and Finals” Negotiations:** The HA reserves the right to, as detailed within Section 7.2.N through Section 7.2.R of HUD Procurement Handbook 7460.8 REV 2, conduct a “Best and Finals” Negotiation, which may include oral interviews, with all firms deemed to be in the competitive range. Any firm deemed not to be in the competitive range shall be notified of such in writing by the HA in a timely manner as possible, but in any case within no longer than 10 days after the beginning of such negotiations with the firms deemed to be in the competitive range.
- 4.2.6 Determination of Top-ranked Proposer:** Typically, the subjective points awarded by the evaluation committee will be combined with the objective points awarded by the CO to determine the final rankings, which is typically forwarded by the CO to the ED for approval. If the evaluation was performed to the satisfaction of the ED, the final rankings may be forwarded to the Housing Authority Board of Commissioners (BOC) at a scheduled meeting for approval. Contract negotiations may, at the HA's option, be conducted prior to or after the BOC approval.
- 4.2.6.1 Ties:** In the case of a tie in points awarded, the award shall be decided as detailed within Section 6.12.C of HUD Procurement Handbook 7460.8 REV 2, by “drawing lots or other random means of selection.”
- 4.2.6.2 Minimum Evaluation Results:** To be considered to receive an award a proposer must receive a total calculated average of at least 70 points (of the 100 total possible points detailed within Section 4.1 herein).
- 4.2.7 Award Recommendation:** It is anticipated that the final rankings will be forwarded to the HA Board of Commissioners (BOC) at a regularly scheduled board meeting for approval. The HA BOC will then make its determination as to whether or not to follow the evaluation committee’s recommendation. Contract price negotiations may, at the HA's option, be conducted prior to or after the BOC approval.

- 4.2.8 Notice of Results of Evaluation:** If an award is completed, all proposers will receive by e-mail a Notice of Results of Evaluation. Such notice shall inform all proposers of:
- 4.2.8.1** Which proposer received the award;
 - 4.2.8.2** Where each proposer placed in the process as a result of the evaluation of the proposals received;
 - 4.2.8.3** The cost or financial offers received from each proposer;
 - 4.2.8.4** Each proposer's right to a debriefing and to protest.
- 4.2.9 Restrictions:** All persons having familial (including in-laws) and/or employment relationships (past or current) with principals and/or employees of a proposer entity will be excluded from participation on the HA evaluation committee. Similarly, all persons having ownership interest in and/or contract with a proposer entity will be excluded from participation on the HA evaluation committee.

5.0 **CONTRACT AWARD:**

- 5.1 **Contract Award Procedure:** If a contract is awarded pursuant to this RFP, the following detailed procedures will be followed:
- 5.1.1 By completing, executing and submitting the Form of Proposal, Attachment A, the “proposer is thereby agreeing to abide by all terms and conditions pertaining to this RFP as issued by the HA, either in hard copy or on the noted HA website, www.cmhanet.com”. Accordingly, the HA has no responsibility to conduct after the submittal deadline any negotiations pertaining to the contract clauses already published.
- 5.2 **Contract Conditions:** The following provisions are considered mandatory conditions of any contract award made by the HA pursuant to this RFP:
- 5.2.1 **Contract Form:** The HA is not obligated to contract on the successful proposer's form when a HA form is available, and by submitting a proposal the successful proposer agrees to do so (please note that the HA reserves the right to amend this form as the HA deems necessary). However, the HA will during the RFP process (prior to the submittal deadline) consider any contract clauses that the proposer wishes to include therein and submits in writing a request for the HA to do so; but the failure of the HA to include such clauses does not give the successful proposer the right to refuse to execute the HA's contract form. It is the responsibility of each prospective proposer to notify the HA, in writing, prior to submitting a proposal, of any contract clause that he/she is not willing to include in the final executed contract and abide by. The HA will consider and respond to such written correspondence, and if the prospective proposer is not willing to abide by the HA's response (decision), then that prospective proposer shall be deemed ineligible to submit a proposal.
- 5.2.1.1 Please note that the HA has no legal right or ability to (and will not) at any time negotiate any clauses contained within ANY of the HUD forms included as a part of this RFP.
- 5.2.2 **Assignment of Personnel:** The HA shall retain the right to demand and receive a change in personnel assigned to the work if the HA believes that such change is in the best interest of the HA and the completion of the contracted work.
- 5.2.3 **Unauthorized Sub-Contracting Prohibited:** The successful proposer shall not assign any right, nor delegate any duty for the work proposed pursuant to this RFP (including, but not limited to, selling or transferring the contract) without the prior written consent of the CO. CMHA reserves the right to reject any and all proposals, to waive technicalities, and to request a re-quote on the required materials and/or services. If more than one item is listed, prices shall be quoted on each unit. However, each item shall be considered a separate proposal and CMHA reserves the right to award a contract on each item separately proposed, or on all items as a whole or any combination thereof. Proposers whose proposal is made on an "all or none" basis must clearly state such fact in the proposal.

WITHDRAWAL OF PROPOSALS

MICROSOFT TECHNOLOGY STACK DEVELOPERS**

Proposers may withdraw their proposals at any time prior to the time specified in the advertisement as the closing time for the receipt of proposals. SUBMISSION OF PROPOSAL

Proposals must be submitted on the attached proposal page unless otherwise noted in the specifications. Blank spaces in the proposal must be completed and the phraseology is not to be changed. Any additional conditions, limitations, or provisions attached to the proposal may result in its rejection. It is important that all pages be in proper sequence. If the vendor does not wish to propose, the proposal should be so marked.

Proposals received prior to the time of the opening will be securely kept, unopened. No proposal received after the specified time will be considered except under the following conditions: if a proposal arrives by mail after the time fixed for opening, but before award is made, and it is shown to the satisfaction of the awarding officer that late arrival was due solely to delay in the mails, such proposals will be received and considered. No responsibility will attach to an officer for the premature opening of a proposal not properly addressed and identified.

Proposals must be submitted in a sealed envelope and clearly state the Proposer's Name, Address, RFP number and RFP Submittal deadline date.

QUALITY

Unless otherwise stated by the proposer the proposal will be considered as being in strict accordance with the specifications outlined in the Proposal Document.

Reference to a particular trade, manufacturer's catalog or model number is made for descriptive purposes to guide the proposer in interpreting the requirements of CMHA. They should not be construed as excluding proposals on other types of materials, equipment and supplies. However, the proposer, if awarded a contract, will be required to furnish the particular item referred to in

the specifications or description unless a departure or substitution is clearly noted and described in the proposal.

SAMPLES

Samples, when requested, must be furnished free of expense and, if not destroyed, will upon request be returned at the proposer's expense.

INELIGIBLE PROPOSERS

CMHA is prohibited from making any awards to contractors, subcontractors or firms who are on lists of those ineligible to receive awards from the United States, as furnished periodically by HUD. The current list of ineligible firms is available for inspection by prospective proposers at the offices of CMHA.

CMHA is required to procure contracts only with responsible contractors, i.e. those who have the technical and financial competence to perform and who have a satisfactory record of integrity. Before awarding a contract CMHA will review the proposed contractor's ability to perform the contract successfully, considering factors such as the contractor's integrity, record of past performance, and financial and technical resources.

AWARD OF CONTRACT

The contract will be awarded to the responsible proposer submitting the lowest proposal complying with the conditions of the Invitation for Proposal with equal consideration being given to the detailed action plan, provided his proposal is reasonable and it is to the interest of CMHA to accept it. CMHA will consider proof of success of procedures (i.e., references) in the final determination.

All specifications and proposal documents become a binding part of the contract.

PERFORMANCE BOND

All proposers will be required to furnish a performance bond for any service/construction proposals. The performance bond of 100% of the full amount of the contract, which secures the faithful performance of the contract, must be furnished at the time of the proposal closing. No exceptions will be granted without prior written permission of CMHA. Failure of the successful proposer to comply shall constitute a default. CMHA may either award the contract to the next reasonable proposer or re-advertise for proposals; and CMHA may charge against the proposer the difference between the amount of the proposal and the amount for which the contract for the work is subsequently executed.

SUBCONTRACTORS

The contractor shall not contract with any proposed subcontractor who has not been accepted by CMHA. The contractor shall notify CMHA in writing the name of each proposed subcontractor. The acceptance or any objection shall be expressed in writing by CMHA within ten (10) working days after receipt of said request. CMHA may, without claim for extra cost by the contractor, disapprove any subcontractor for cause on the basis of its own determination or, because the

contractor is listed as ineligible to receive awards of contracts for the United States on a current list or lists furnished by HUD.

CANCELLATION

CMHA reserves the right to monitor and evaluate the performance of a vendor, pursuant to this proposal, on a regular basis. Either CMHA or the vendor may terminate this contract upon a material violation of the terms herein, provided that the offended party issues written notice of the violation to the offending party.

PRE-PROPOSAL CONFERENCE

Where advisable or in the Authority's interest a Pre-Proposal Conference will be conducted for all proposers as specified in the proposal advertisement (time and location). However, in lieu of the aforementioned, any proposer or prospective proposer interested in a pre-proposal conference may request one by contacting the Purchasing Agent. This conference shall be for clarification of procedures and requirements connected with the preparation of responsive proposals only.

MINORITY AND FEMALE BUSINESS ENTERPRISE POLICY

As policy, the Columbus Metropolitan Housing Authority (CMHA) will aggressively seek to contract with minority and/or female business enterprises for at least fifteen percent (15%) of its annual dollar expenditures for construction, development and supply of goods and services. Initially, CMHA will seek to meet this goal by expanding and improving its contacts with appropriate minority and/or female business enterprises, so that more responsive proposals and competitive quotations can be solicited and received from such business enterprises. CMHA will, therefore, compile and maintain a master list of minority and female business enterprises (categorized and referenced by types of businesses) and related non-profit or service organizations. These businesses and specific groups will be kept informed, through outreach activities, regarding general and specific business opportunities with CMHA. Formal bidding through public advertisements will also be paid for or sponsored by CMHA with minority press and media as well as the major Columbus newspaper. Training sessions, focusing on both CMHA's general business practices and specific construction jobs or purchasing transactions, will also be conducted for the benefit of minority and/or female business enterprises on a regular basis. Actual contract awards for construction and purchasing will be recorded and monitored for minority and/or female business enterprise participation, and selected proposers will be expected to achieve their minority and/or female business enterprise commitments. Implementation duties for this policy will be delegated to the Minority Business/Contract Compliance Officer (for development activities) and the Purchasing Agent (for procurement activities), under the general supervision of the President\CEO.
