**3.3.1.1 Submission Responsibilities:** It shall be the responsibility of each proposer to be aware of and to abide by all dates, times, conditions, requirements and specifications set forth within all applicable documents issued by the HA, including the RFP document, the documents listed within this RFP, and any addenda and required attachments submitted by the proposer. **3.4 Proposer's Responsibilities--Contact with the HA:** It is the responsibility of the proposer to address all communication and correspondence pertaining to this RFP process to the Purchasing Manager or designee only. **3.4.1 Addenda:** All questions and requests for information must be addressed in writing to the Purchasing Manager or Designee. The Purchasing Manager or designee will respond to all such inquiries in writing by addendum to all prospective proposers (i.e. known firms or individuals that have obtained the RFP Documents). During the RFP solicitation process, the Purchasing Manager or Designee will NOT conduct any *ex parte* conversations that may give one prospective proposer an advantage over other prospective proposers. This does not mean that prospective proposers may not call the Purchasing Manager—it simply means that, other than making replies to direct the prospective proposer where his/her answer has already been issued within the solicitation documents, the Purchasing Manager may not respond to the prospective proposer’s inquiries but will direct him/her to submit such inquiry in writing so that the Purchasing Manager may more fairly respond to all prospective proposers in writing by addendum.

**3.5 Pre-proposal Conference:** The scheduled pre-proposal conference identified on Page 2 of this document is, pursuant to HUD regulation, not mandatory. Typically, such conferences last 1 hour or less, though such is not guaranteed. The purpose of this conference is to assist prospective proposers in having a full understanding of the RFP documents so that he/she feels confident in submitting an appropriate proposal; therefore, at this conference the HA will conduct an overview of the RFP documents, including the attachments. Prospective proposers may also ask questions, though the Purchasing Manager or Designee may require that some such questions are delivered in writing prior to a response. Whereas the purpose of this conference is to review the RFP documents, attendees should bring a copy of the RFP documents to this conference.

**5.1.1** By completing, executing and submitting the Form of Proposal, Attachment A, the “proposer is thereby agreeing to abide by all terms and conditions pertaining to this RFP as issued by the HA, either in hard copy or on the noted HA website, [www.cmhanet.com](http://www.cmhanet.com)”. Accordingly, the HA has no responsibility to conduct after the submittal deadline any negotiations pertaining to the contract clauses already published.

**5.2 Contract Conditions:** The following provisions are considered mandatory conditions of any contract award made by the HA pursuant to this RFP:

- 5.2.1 Contract Form:** The HA is not obligated to contract on the successful proposer's form when a HA form is available, and by submitting a proposal the successful proposer agrees to do so (please note that the HA reserves the right to amend this form as the HA deems necessary). However, the HA will during the RFP process (prior to the submittal deadline) consider any contract clauses that the proposer wishes to include therein and submits in writing a request for the HA to do so; but the failure of the HA to include such clauses does not give the successful proposer the right to refuse to execute the HA's contract form. It is the responsibility of each prospective proposer to notify the HA, in writing, prior to submitting a proposal, of any contract clause that he/she is not willing to include in the final executed contract and abide by. The HA will consider and respond to such written correspondence, and if the prospective proposer is not willing to abide by the HA's response (decision), then that prospective proposer shall be deemed ineligible to submit a proposal.
- 5.2.1.1** Please note that the HA has no legal right or ability to (and will not) at any time negotiate any clauses contained within ANY of the HUD forms included as a part of this RFP.
- 5.2.2 Assignment of Personnel:** The HA shall retain the right to demand and receive a change in personnel assigned to the work if the HA believes that such change is in the best interest of the HA and the completion of the contracted work.
- 5.2.3 Unauthorized Sub-Contracting Prohibited:** The successful proposer shall not assign any right, nor delegate any duty for the work proposed pursuant to this RFP (including, but not limited to, selling or transferring the contract) without the prior written consent of the Purchasing Manager or designee. Any purported assignment of interest or delegation of duty, without the prior written consent of the Purchasing Manager or designee shall be void and may result in the cancellation of the contract with the HA, or may result in the full or partial forfeiture of funds paid to the successful proposer as a result of the proposed contract; either as determined by the Purchasing Manager or designee.
- 5.2.4 Assignment:** The HA reserves the right to award to more than one (1) qualified respondent to perform the services described herein.
- 5.2.5 Contract Period:** The HA anticipates that it will initially award a contract for the period of two (2) years, with options to renew for three (3) one (1) year contracts not to exceed five (5) years to be established after Board approval and the award is declared.
- 5.3 Licensing and Insurance Requirements:** Prior to award (but not as a part of the proposal submission) the *successful proposer* will be required to provide:
- 5.3.1** State of Ohio Real Estate Brokers License is required
- 5.3.2** An original certificate evidencing the proposer's current industrial (worker's compensation) insurance carrier and coverage amount;
- 5.3.3** An original certificate evidencing General Liability coverage, naming the HA as an additional insured, together with the appropriate endorsement to said policy reflecting the addition of the HA as an additional insured under said policy (minimum of \$1,000,000 each occurrence, general aggregate minimum limit of

- 5.3.5 An original certificate showing the proposer's automobile insurance coverage in a combined single limit of \$1,000,000. For every vehicle utilized during the term of this program, when not owned by the entity, each vehicle must have evidence of automobile insurance coverage with limits of no less than \$50,000/\$100,000 and medical pay of \$5,000.
- 5.3.6 If applicable, a copy of the proposer's license issued by the State of Ohio licensing authority allowing the proposer to provide the services detailed herein.
- 5.3.7 The requested related information shall also be entered where provided for on the Profile of Firm Form (DO NOT ATTACH SUBMIT COPIES WITHIN THE PROPOSAL SUBMITTAL--we will garner the necessary certificates from the successful proposer prior to contract execution).

**5.4 Right To Negotiate Final Fees:** The HA shall retain the right to negotiate the amount of fees that are paid to the successful proposer, meaning the fees proposed by the top-rated proposer may, at the HA's options, be the basis for the beginning of negotiations. Such negotiations shall begin after the HA has chosen a top-rated proposer. If such negotiations are not, in the opinion of the Purchasing Manager or designee successfully concluded within 5 business days, the HA shall retain the right to end such negotiations and begin negotiations with the next-rated proposer.

**5.5 Contract Service Standards:** All work performed pursuant to this RFP must conform and comply with all applicable local, state and federal codes, statutes, laws and regulations.

**6.0 ADDITIONAL CONSIDERATIONS:**

**6.1 Required Permits and Licenses:** Unless otherwise stated in the RFP documents, all Federal, State or local permits and licenses which may be required to provide the services ensuing from any award of this RFP, whether or not they are known to either the HA or the proposers at the time of the proposal submittal deadline or the award, shall be the sole responsibility of the successful Proposer and all offers submitted by the Proposer shall reflect all costs required by the successful Proposer to procure and provide such necessary permits or licenses.

**6.2 Taxes:** All persons doing business with the HA are hereby made aware that the HA is exempt from paying Ohio State Sales and Use Taxes and Federal Exercise Taxes. A letter of Tax Exemption will be provided upon request.

- 6.3 Official, Agent and Employees of THE HA Not Personally Liable:** It is agreed by and between the parties hereto that in no event shall any official, officer, employee, or agent of the HA in any way be personally liable or responsible for any covenant or agreement herein contained whether expressed or implied, nor for any statement, representation or warranty made herein or in any connection with this agreement.
- 6.4 Termination:** Any contract resulting from this RFP may be terminated under the following conditions:
- 6.4.1 By mutual consent of both parties, and**
- 6.4.2 Termination For Cause:** As detailed within Clause No. 3 of Form HUD-5370-C (10/2006), *General Conditions for Non-Construction Contracts, Section I - (Within or without Maintenance Work)*, attached hereto:
- 6.4.2.1** The HA may terminate any and all contracts for default at any time in whole or in part, if the contractor fails to perform any of the provisions of any contract, so fails to pursue the work as to endanger performance in accordance with the terms of the RFP or any resulting contracts, and after receipt of written notice from the HA, fails to correct such failures within seven (7) days or such other period as the HA may authorize or require.
- 6.4.2.1.1** Upon receipt of a notice of termination issued from the HA, the Contractor shall immediately cease all activities under any contract resulting from this RFP, unless expressly directed otherwise by the HA in the notice of termination.
- 6.4.2.1.2** The HA may terminate any contract resulting from this RFP in whole or in part, if funding is reduced, or is not obtained and continued at levels sufficient to allow for the expenditure.
- 6.4.3 Termination For Convenience:** In the sole discretion of the HA, the HA may terminate any and all contracts resulting from this RFP in whole or part upon thirty (30) days prior notice to the Contractor when it is determined to be in the best interest of the HA.
- 6.4.4** The rights and remedies of the HA provided under this section are not exclusive and are in addition to any other rights and remedies provided by law or under any contract.
- 6.4.5** In the event the resulting contract from this RFP is terminated for any reason, or upon its expiration, the HA shall retain ownership of all work products including deliverables, source and object code, microcode, software licenses, and documentation in whatever form that may exist.

In addition to any other provision, the Contractor shall transfer title and deliver to the HA any partially completed work products, deliverables, source and object code, or documentation that the Contractor has produced or acquired in the performance of any resulting contract.

**SPECIAL CONDITION**

**SIGNATURE REQUIRED**

Any page format in which proposal pricing is stated must be signed in ink followed by the person's signature printed or typewritten. If the proposer is a firm or corporation, insert the corporate name followed by the signature and title of a person authorized to sign said proposal.

**PRINCIPALS, PARTNERSHIPS OR PROPRIETORS**

**TAXES**

The HA is tax exempt. The successful proposer will be furnished an exemption certificate if needed.

**PRICING**

Proposers are to quote firm prices unless otherwise noted in the specifications. In case of a discrepancy in computing the amount of the proposal, the UNIT PRICE quoted will govern. In the event of a conflict between the price in numbers and the price in words, the price IN WORDS WILL CONTROL.

**ACCEPTANCE AND REJECTION**

This proposal will be accepted or rejected within a period of sixty (60) days from the proposal opening date. The HA reserves the right to reject any and all proposals, to waive technicalities, and to request a re-quote on the required materials and/or services. If more than one item is listed, prices shall be quoted on each unit. However, each item shall be considered a separate proposal and the HA reserves the right to award a contract on each item separately proposed, or on all items as a whole or any combination thereof. Proposers whose proposal is made on an "all or none" basis must clearly state such fact in the proposal.

**WITHDRAWAL OF PROPOSALS**

Proposers may withdraw their proposals at any time prior to the time specified in the advertisement as the closing time for the receipt of proposals.

---

Proposals must be submitted on the attached proposal page unless otherwise noted in the specifications. Blank spaces in the proposal must be completed and the phraseology is not to be changed. Any additional conditions, limitations, or provisions attached to the proposal may result in its rejection. It is important that all pages be in proper sequence. If the vendor does not wish to propose, the proposal should be so marked.

Proposals received prior to the time of the opening will be securely kept, unopened. No proposal received after the specified time will be considered except under the following conditions: if a proposal arrives by mail, date & time stamped prior to the deadline of the opening/deadline, but before award is made, and it is shown to the satisfaction of the awarding officer that late arrival was due solely to delay in the mails, such proposals will be received and considered. No responsibility will attach to an officer for the premature opening of a proposal not properly addressed and identified.

Proposals must be submitted in a sealed envelope and clearly state the Proposer's Name, Address, RFP number and RFP Submittal deadline date.

**CHANGES AND ADDENDA TO PROPOSAL DOCUMENTS**

Each change or addendum issued in relation to this proposal document will be on file in the office of the Purchasing Department no less than five (5) working days prior to the scheduled proposal closing. In addition, to the extent possible, copies will be mailed to each person registered as having received a set of proposal documents. Total proposal or specific item cancellations may be issued later than the time specified above.

**DELIVERY**

Time will be of the essence for any orders placed as a result of this proposal. Purchaser reserves the right to cancel such orders, or any part thereof, without obligation if delivery is not made within the time(s) specified. Delivery shall be made 8:00 a.m. to 4:00 p.m. Monday through Friday to the destination shown on the proposal.

**QUALITY**

Unless otherwise stated by the proposer the proposal will be considered as being in strict accordance with the specifications outlined in the Proposal Document.

Reference to a particular trade, manufacturer's catalog or model number is made for descriptive purposes to guide the proposer in interpreting the requirements of the HA. They should not be construed as excluding proposals on other types of materials, equipment and supplies. However, the proposer, if awarded a contract, will be required to furnish the particular item referred to in the specifications or description unless a departure or substitution is clearly noted and described in the proposal. "Or Equal" substitutions will be reviewed by the HA for approval.

**SAMPLES**

Samples, when requested, must be furnished free of expense and, if not destroyed, will upon request be returned at the proposer's expense.

### **INELIGIBLE PROPOSERS**

The HA is prohibited from making any awards to contractors, subcontractors or firms who are on lists of those ineligible to receive awards from the United States, as furnished periodically by HUD. The current list of ineligible firms is available for inspection by prospective proposers at the offices of the HA.

The HA is required to procure contracts only with responsible contractors, i.e. those who have the technical and financial competence to perform and who have a satisfactory record of integrity. Before awarding a contract the HA will review the proposed contractor's ability to perform the contract successfully, considering factors such as the contractor's integrity, record of past performance, and financial and technical resources.

### **AWARD OF CONTRACT**

The contract will be awarded to the responsible proposer (s) submitting the best value and other evaluating factors complying with the conditions of the Request for Proposal (RFP).

All specifications and proposal documents become a binding part of the contract.

### **PERFORMANCE BOND**

All proposers will be required to furnish a performance bond for any service/construction proposals exceeding \$50,000. The performance bond of 100% of the full amount of the contract, which secures the faithful performance of the contract, must be furnished within 14 days of contract award. No exceptions will be granted without prior written permission of the HA. Failure of the successful proposer to comply shall constitute a default. The HA may either award the contract to the next reasonable proposer or re-advertise for proposals; and the HA may charge against the proposer the difference between the amount of the proposal and the amount for which the contract for the work is subsequently executed.

### **SUBCONTRACTORS**

The contractor shall not contract with any proposed subcontractor who has not been accepted by The HA. The contractor shall notify The HA in writing the name of each proposed subcontractor. The acceptance or any objection shall be expressed in writing by The HA within ten (10) working days after receipt of said request. The HA may, without claim for extra cost by the contractor, disapprove any subcontractor for cause on the basis of its own determination or, because the contractor is listed as ineligible to receive awards of contracts for the United States on a current list or lists furnished by HUD.

### **CANCELLATION**

The HA reserves the right to monitor and evaluate the performance of a vendor, pursuant to this proposal, on a regular basis. Either The HA or the vendor may terminate this contract upon a material violation of the terms herein, as noted in Section 6.4 of the RFP document.

**PRE-PROPOSAL CONFERENCE**

Where advisable or in the Authority's interest a Pre-Proposal Conference will be conducted for all proposers as specified in the proposal advertisement (time and location). This conference shall be for clarification of procedures and requirements connected with the preparation of responsive proposals only.

**MINORITY AND FEMALE BUSINESS ENTERPRISE POLICY**

As policy, the Columbus Metropolitan Housing Authority (The HA) will aggressively seek to contract with minority and/or female business enterprises for at least twenty percent (20%) of its annual dollar expenditures for construction, development and supply of goods and services. Initially, The HA will seek to meet this goal by expanding and improving its contacts with appropriate minority and/or female business enterprises, so that more responsive proposals and competitive quotations can be solicited and received from such business enterprises. The HA will, therefore, compile and maintain a master list of minority and female business enterprises (categorized and referenced by types of businesses) and related non-profit or service organizations. These businesses and specific groups will be kept informed, through outreach activities, regarding general and specific business opportunities with The HA. Formal bidding through public advertisements will also be paid for or sponsored by The HA with minority press and media as well as the major Columbus newspaper. Training sessions, focusing on both The HA's general business practices and specific construction jobs or purchasing transactions, will also be conducted for the benefit of minority and/or female business enterprises on a regular basis. Actual contract awards for construction and purchasing will be recorded and monitored for minority and/or female business enterprise participation, and selected proposers will be expected to achieve their minority and/or female business enterprise commitments. Implementation duties for this policy will be delegated to the Minority Business/Contract Compliance Officer (for development activities) and the Purchasing Agent (for procurement activities), under the general supervision of the President\CEO.
