2.0 SCOPE OF WORK (SOW)/TECHNICAL SPECIFICATIONS (T/S): The HA seeks to procure a consultant to conduct strategic planning for the Resident Initiatives department. Desired strategic planning functions will relate to three deliverables: The RISE Center model, service model, and data collection and evaluation.

The RISE Center Model

Operated by Resident Initiatives, The RISE Center is a social services hub that connects Franklin County residents to community resources that help them achieve and maintain housing stability. The first deliverable the strategic planning consultant will work on is creating The RISE Center's model of operation.

As a first step, the consultant will inventory community needs based on the population(s) that reside in a given community. Needs will be identified and documented by reviewing local, county, state, and federal priority data (e.g., RISE Together Blueprint, Community Health Improvement Plans, etc.). To further understand community needs, the consultant will also review the Accountability Pathway created by CMHA's Service Provider Network (SPN), an advisory council made up of representatives from over 40 local organizations. The consultant will then finalize the Accountability Pathway by synthesizing the SPN's initial recommendations and the consultant's findings while reviewing local, county, and state priority data. The consultant will then create a 3-year strategic plan for Resident Initiatives that includes strategic priorities based on those in the final Accountability Pathway.

Service Model

Guided by The RISE Center Model previously created, the consultant will develop a strategy to implement the Accountability Pathway. The implementation strategy will align Resident Initiative's strategic direction with the programmatic priorities identified in the Accountability Pathway.

To create the implementation strategy the consultant will first develop a matrix of services that will be available at each property. Services will likely consist of a combination of service coordination, case management, and on-site programming. The service matrix will also need to take into consideration compliance requirements related to the low-income housing tax credit program, continuum of care funding, etc. In addition to identifying services that will be available to residents of each property, the service matrix will also include options for Housing Choice Voucher residents that do not live at a CMHA community. While developing the implementation strategy the consultant will identify The RISE Center's impact on CMHA's Planning and Development, Asset Management, and Housing Choice Voucher department as well. The implementation strategy will be incorporated in Resident Initiatives' strategic plan that includes estimated cost.

Data Collection and Evaluation

To effectively communicate the impact of Resident Initiatives', work the department needs a comprehensive data collection and evaluation plan. To create the data collection and evaluation plan the consultant will first review RI's current data collection, storage, evaluation, and reporting practices to identify opportunities for improvement. This phase of the project will include reviewing RI-specific data as well as the data RI has access to through cross-departmental coordination (including but not limited to demographic, Housing Choice Voucher, HCV waitlist, and property data). Once existing opportunities have been documented the consultant will then identify standardized reporting and evaluation metrics for internal programs, community events, and partner programs and make recommendations for how best to utilize the data. Metrics tracked should incorporate RI's strategic priorities, report the social impact of RI programming, and quantify RI's value as it relates to CMHA's Asset Management, Housing Choice Voucher, and Planning and Development departments. At this point, the consultant will create a data collection plan that describes the method and frequency by which to collect each metric. The consultant will also design reporting infrastructure that outlines the various types of reports RI will utilize for different audiences (e.g., RI staff, executive staff, funders,

REQUEST FOR PROPOSALS (RFP) NO. 2023-002 RESIDENT INITIATIVES STRATEGIC PLANNING

general public, etc.) and the metrics that should be included in each. Next, the consultant will review available reporting software and recommend options that will best-suit RI's needs. Based on the processes developed the consultant will then create one Scope of Work that will be used to procure database software and one Scope of Work that will be used to secure an Evaluation Consultant. These Scopes of Work will include deliverables to facilitate implementation of RI's data collection and evaluation plan.

PROPOSAL FORMAT:

3.1 Tabbed Proposal Submittal: The HA intends to retain the successful proposer pursuant to a "Best Value" basis, not a "Low Proposal" basis ("Best Value," in that the HA will, as detailed within the following Section 4.0, consider factors other than just cost in making the award decision). ATTACHMENT E: INSTRUCTIONS FOR BIDDERS/PROPOSERS

SPECIAL CONDITION

Special conditions included in the specifications shall take precedence over any provisions stipulated hereunder.

SIGNATURE REQUIRED

Any page format in which proposal pricing is stated must be signed in ink followed by the person's signature printed or typewritten. If the proposer is a firm or corporation, insert the corporate name followed by the signature and title of a person authorized to sign said proposal.

PRINCIPALS, PARTNERSHIPS OR PROPRIETORS

All proposers are required to attach to the proposal packet a list of all principals, partners or proprietors of the company along with the appropriate title and/or position of each person.

TAXES

Federal and/or State taxes are not to be included in prices quoted. The successful proposer will be furnished an exemption certificate if needed.

PRICING

Proposers are to quote firm prices unless otherwise noted in the specifications. In case of a discrepancy in computing the amount of the proposal, the UNIT PRICE quoted will govern. In the event of a conflict between the price in numbers and the price in words, the price IN WORDS WILL CONTROL.

Quotations are requested F.O.B. destination. If quoted F.O.B. Shipping Point, include freight estimate and full value insurance cost.

ACCEPTANCE AND REJECTION

This proposal will be accepted or rejected within a period of sixty (60) days from the proposal opening date. CMHA reserves the right to reject any and all proposals, to waive technicalities, and to request a re-quote on the required materials and/or services. If more than one item is listed, prices shall be quoted on each unit. However, each item shall be considered a separate proposal and CMHA reserves the right to award a contract on each item separately proposed, or on all items as a whole or any combination thereof. Proposers whose proposal is made on an "all or none" basis must clearly state such fact in the proposal.

WITHDRAWAL OF PROPOSALS

Proposers may withdraw their proposals at any time prior to the time specified in the advertisement as the closing time for the receipt of proposals. However, no Proposer shall withdraw or cancel his proposal for a period of sixty (60) days after said advertised closing time for the receipt of proposals.

SUBMISSION OF PROPOSAL

Proposals must be submitted on the attached proposal page unless otherwise noted in the specifications. Blank spaces in the proposal must be completed and the phraseology is not to be changed. Any additional conditions, limitations, or provisions attached to the proposal may result in its rejection. It is important that all pages be in proper sequence. If the vendor does not wish to propose, the proposal should be so marked.

Proposals received prior to the time of the opening will be securely kept, unopened. No proposal received after the specified time will be considered except under the following conditions: if a proposal arrives by mail after the time fixed for opening, but before award is made, and it is shown to the satisfaction of the awarding officer that late arrival was due solely to delay in the mails, such proposals will be received and considered. No responsibility will attach to an officer for the premature opening of a proposal not properly addressed and identified.

Proposals must be submitted in a sealed envelope and clearly state the Proposer's Name, Address, RFP number and RFP Submittal deadline date.

CHANGES AND ADDENDA TO PROPOSAL DOCUMENTS

Each change or addendum issued in relation to this proposal document will be on file in the office of the Purchasing Department no less than five (5) working days prior to the scheduled proposal closing. In addition, to the extent possible, copies will be mailed to each person registered as having received a set of proposal documents. Total proposal or specific item cancellations may be issued later than the time specified above.

DELIVERY

Time will be of the essence for any orders placed as a result of this proposal. Purchaser reserves the right to cancel such orders, or any part thereof, without obligation if delivery is not made within the time(s) specified. Delivery shall be made 8:00 a.m. to 4:00 p.m. Monday through Friday to the destination shown on the proposal.

QUALITY

Unless otherwise stated by the proposer the proposal will be considered as being in strict accordance with the specifications outlined in the Proposal Document.

Reference to a particular trade, manufacturer's catalog or model number is made for descriptive purposes to guide the proposer in interpreting the requirements of CMHA. They should not be construed as excluding proposals on other types of materials, equipment and supplies. However, the proposer, if awarded a contract, will be required to furnish the particular item referred to in the specifications or description unless a departure or substitution is clearly noted and described in the proposal.

SAMPLES

Samples, when requested, must be furnished free of expense and, if not destroyed, will upon request be returned at the proposer's expense.

INELIGIBLE PROPOSERS

CMHA is prohibited from making any awards to contractors, subcontractors or firms who are on lists of those ineligible to receive awards from the United States, as furnished periodically by HUD. The current list of ineligible firms is available for inspection by prospective proposers at the offices of CMHA.

CMHA is required to procure contracts only with responsible contractors, i.e. those who have the technical and financial competence to perform and who have a satisfactory record of integrity. Before awarding a contract CMHA will review the proposed contractor's ability to perform the contract successfully, considering factors such as the contractor's integrity, record of past performance, and financial and technical resources.

AWARD OF CONTRACT

The contract will be awarded to the responsible proposer submitting the lowest proposal complying with the conditions of the Invitation for Proposal with equal consideration being given to the detailed action plan, provided his proposal is reasonable and it is to the interest of CMHA to accept it. CMHA will consider proof of success of procedures (i.e., references) in the final determination.

All specifications and proposal documents become a binding part of the contract.

PERFORMANCE BOND

All proposers will be required to furnish a performance bond for any service/construction proposals requested by the HA. The performance bond of 100% of the full amount of the contract, which secures the faithful performance of the contract, must be furnished within 14 days of contract award. No exceptions will be granted without prior written permission of CMHA. Failure of the successful proposer to comply shall constitute a default. CMHA may either award the contract to the next reasonable proposer or re-advertise for proposals; and CMHA may charge against the proposer the difference between the amount of the proposal and the amount for which the contract for the work is subsequently executed.

SUBCONTRACTORS

The contractor shall not contract with any proposed subcontractor who has not been accepted by CMHA. The contractor shall notify CMHA in writing the name of each proposed subcontractor. The acceptance or any objection shall be expressed in writing by CMHA within ten (10) working days after receipt of said request. CMHA may, without claim for extra cost by the contractor, disapprove any subcontractor for cause on the basis of its own determination or, because the contractor is listed as ineligible to receive awards of contracts for the United States on a current list or lists furnished by HUD.

CANCELLATION

CMHA reserves the right to monitor and evaluate the performance of a vendor, pursuant to this proposal, on a regular basis. Either CMHA or the vendor may terminate this contract upon a material violation of the terms herein, provided that the offended party issues written notice of the violation to the offending party.

PRE-PROPOSAL CONFERENCE

Where advisable or in the Authority's interest a Pre-Proposal Conference will be conducted for all proposers as specified in the proposal advertisement (time and location). However, in lieu of the aforementioned, any proposer or prospective proposer interested in a pre-proposal conference may request one by contacting the Purchasing Agent within seven (7) days after the date of the first publication of the notice to proposal. This conference shall be for clarification of procedures and requirements connected with the preparation of responsive proposals only.

MINORITY AND FEMALE BUSINESS ENTERPRISE POLICY

As policy, the HA will aggressively seek to contract with minority and/or female business enterprises for at least twenty percent (20%) of its annual dollar expenditures for construction, development and supply of goods and services. Initially, CMHA will seek to meet this goal by expanding and improving its contacts with appropriate minority and/or female business enterprises, so that more responsive proposals and competitive quotations can be solicited and received from such business enterprises. CMHA will, therefore, compile and maintain a master list of minority and female business enterprises (categorized and referenced by types of businesses) and related non-profit or service organizations. These businesses and specific groups will be kept informed, through outreach activities, regarding general and specific business opportunities with CMHA. Formal bidding through public advertisements will also be paid for or sponsored by CMHA with minority press and media as well as the major Columbus newspaper. Training sessions, focusing on both CMHA's general business practices and specific construction jobs or purchasing transactions, will also be conducted for the benefit of minority and/or female business enterprises on a regular basis. Actual contract awards for construction and purchasing will be recorded and monitored for minority and/or female business enterprise participation, and selected proposers will be expected to achieve their minority and/or female business enterprise commitments. Implementation duties for this policy will be delegated to the Minority Business/Contract Compliance Officer (for development

activities) and the Purchasing Agent (for procurement activities), under the general supervision of the President\CEO.
