B. 5-Year Plan. Required for all PHAs completing this form.
Mission. State the PHA’s mission for serving the needs of low-income, very low-income, and extremely low-income families in the PHA’s jurisdiction for the next five years.

The Columbus Metropolitan Housing Authority serves the community by helping people access affordable housing. By working with our collaborative partners, we develop, renovate, and maintain housing; promote neighborhood revitalization; and assist residents in accessing needed social services.

B.2 Goals and Objectives. Identify the PHA’s quantifiable goals and objectives that will enable the PHA to serve the needs of low-income, very low-income, and extremely low-income families for the next five years.

CMHA Goals for FY 2021-2025: (1) Continue to increase the availability of decent, safe, and affordable housing; (2) Promote self-sufficiency and asset development of families and individuals; (3) Improve community quality of life and economic vitality; and (4) Ensure Equal Opportunity and Affirmatively further Fair Housing.

CMHA will endeavor to realize the goals of the 2021 5-Year Plan through the completion of the Choice Neighborhood Implementation Grant which focuses on the revitalization of the Near East Side of Columbus, converting Public Housing through the Rental Assistance Demonstration Program, utilizing the PHV allocation to support development and the continuation of the provision of high-quality program administration.

CMHA has converted all but four Public Housing (PH) communities through the RAD program and has CHAPs on two of the remaining 4 PH Communities. CMHA intends to convert The Meadows and Post Oak to the RAD PHV program during the following 5-year plan period.

Demolition and/or Disposition – CMHA has requested and received HUD approval to remove Thorwood Commons, a public housing property (residential and non-residential) from public housing requirements, including any restrictions imposed by the Annual Contributions Contract and the Declaration of Trust/Declaration of Restrictive Covenants. CMHA has requested and received this approval from HUD under the demolition/disposition laws at Section 18 of the 1937 Act and 24 CFR part 970. CMHA will enter into a long-term lease with a local affordable housing developer so that developer can rehab Thorwood Commons through the LIHTC program. CMHA may allow to partner in the redevelopment of the project to assure the successful recapitalization of the property into new and modern affordable housing units.

CMHA plans for Waggoner Senior to be our final Public Housing asset. Since this property has under 30 Public Housing units, we plan to use the “Small PHA” authority under Section 18 to dispose of this property after we have disposed of Thorwood and converted Post Oak and The Meadows. We plan to request Tenant Protection Vouchers for all 30 units.

CMHA’s high performing housing choice voucher program maintains a 99% utilization rate and will continue to maintain this rate as long as HCV funding is available. CMHA continues to administer the HCV Family Self-Sufficiency program and the 88 Homeownership Program. CMHA regularly applies for and has received vouchers for all additional funding opportunities from HUD such as but not limited to the HUD VASH and Mainstream programs. CMHA will continue to apply for additional allocations as approved by HUD to support affordable housing in our jurisdiction. Currently, more than 25,000 families are on the CMHA HCV waitlist, CMHA will pull from the waitlist as voucher utilization allows. The CMHA waitlist is always open for new applicants to apply via our online portal.

CMHA has established and HUD recognized EnVision Center known as the CMHA RISE Center. The RISE center will continue to service all CMHA residents by way of linking residents to needed social services from many different providers in the community. These services will be available to all CMHA residents.

Project Based Vouchers – CMHA is projecting to utilize a number of project-based vouchers throughout Franklin County in a number of locations and for purposes that are consistent with the Goals for FY 2021-2025 and the creation or redevelopment of affordable housing units.

CMHA has committed to a strategic initiative to acquire and/or develop up to 500 new units of housing each year for the next 5 years serving residents in deeply affordable housing, workforce housing and mixed income communities. CMHA will submit additional mixed finance applications should the opportunities consistent with CMHA’s mission and goals present themselves.

CMHA will always strive to maintain a minimum occupancy rate consistent with industry standards to house as many residents as possible at all sites.

CMHA will also be obtaining a S&P rating and pursue the ability to issue tax exempt bonds to fund the acquisition/development of affordable, mixed income, market rate, LIHTC and PBV housing in additional to commercial property and or capital improvements at existing sites and/or CMHA office buildings. CMHA will utilize the issuance of tax exempt bonds and other means of financing necessary to develop and acquire new mixed income, affordable, market rate, LIHTC and PBV housing both as a sole entity and with other partners throughout the this 5-year plan term.

CMHA will further make modifications to the HCV Administrative Plan and/or ACOP as needed based upon changes in HUD rules or regulations or other CMHA action that necessitates such a change. All changes to the Admin Plan and ACOP are subject to CMHA Board approval.
